Mumbai	Principal Chief Engineer's office, G.M'S Building, Central Railway, Mumbai-CST.
Kolkata	Principal Chief Engineer's office, Eastern Railway Headquarters Office, II Floor, Fairlie Place,17,Netaji Subhas Road, Kolkata -700001.
Chennai	Principal Chief Engineer's office, Southern Railway Headquarters Office, Park Town, Chennai -600003
Secunderabad	Principal Chief Engineer's office, South Central Railway Headquarters Office, 5 th Floor, Rail Nilayam, Secunderabad.
Lucknow	Divisional Railway Manager's office, Northern Railway Hazaratganj, ucknow.

Please report at your opted Centre with your Admit card including your Registration No./Enrolment No., Roll No. and Centre etc.

The Programme of examination is as at Annexure 'A' & Instructions to students in Annexure 'B'

If there are any changes in the Date, Programme or Places of examination Centres due to unforeseen circumstances, you will be advised in time suitably, Such changes will also be put on our [website: ipweindia.com](http://www.ipweindia.com)

Some salient features of examination and its procedure are given below for your information.

➤ **Enrolment**

Your Admit Card indicating your Roll No. and Centre etc. is enclosed which you must bring with you during the Examination. Maximum care has been taken to allot the same Centre of Examination as opted by the Students. However, if by chance the same has been allotted wrongly, the concerned student may approach the Supervisor at the Centre opted by him on the address of the Examination Centre given in this letter. Similarly under such circumstances that you are not in a position to reach your allotted centre within the time but can easily go to any other center of your choice as per details given in this letter providing addresses of all examination centres on the due dates of examination. The concerned student may approach the Supervisor of that Centre with enrolment (Admit) Card indicating his Roll No. and Centre etc. for appearing in the examination there. Necessary instructions in this regard have already been given to the Supervisors deputed at all the six Centres.

➤ **PASSING OF EXAMINATION:**

The pass marks will be 34% in each paper/subject as well as in aggregate. For candidates appearing in Supplementary Examination, marks secured under new scheme will be suitably proportioned out of the maximum marks as per the old scheme under which the candidate passed the previous examination. However, if the candidate has failed in particular subject he can re-appear in the supplementary examination to be held in combination with Regular Examination of Semester-I of next session for clearing the subjects/papers failed by paying fee @ Rs.200/- Plus 18% GST per subject (Maximum Rs.1000/-Plus 18% GST) for Semester I supplementary examination. . Application forms for this purpose will be made available to the candidates on request from this office on due dates for which the applicant should send a written request for the form and a self-addressed envelope duly stamped for Rs.10/-.

(Sudhir Mital)

Executive Director/IPWE(India)

DA: Money Reciept, Admission Card, Study Material, Programme of Exam. (Annexure 'A') and Instructions to the candidates (Annexure 'B')

**EXAMINATION OF DIPLOMA IN RAILWAY ENGINEERING
INSTRUCTIONS TO BE STRICTLY FOLLOWED BY CANDIDATES.**

1. Please fill up various blanks on the Answer Book carefully and legibly. Each candidate should sign only at the place earmarked on the front page of the answer book.
2. Each paper should be answered on a separate Answer Book. All questions set in the question paper given to you in the examination hall are selected from the text of the lesson book already supplied to you. You are expected to explain your answers to each question in your own words and any effort to copy it from the lesson book or elsewhere verbatim will amount not only to award of 'Nil' marks but also cancellation of your admission to the examination.
3. Please write your Roll Number on the Answer Book. It will be the responsibility of each candidate that the Answer Book is handed over to the invigilator before leaving the Examination Hall.
4. Please ensure that you follow the timings as given in the question paper. No extra time will be allowed under any circumstances. The time of each paper is indicated on the Question Paper.
5. No candidate should copy or use unfair means in solving their questions. Any attempt to do so is likely to debar the candidate from appearing in the Examination and/or granting of nil marks for copied answers. No candidate should talk to other candidates during Examination period.
6. Candidates can keep the Question Paper in their possession after handing over the Answer Book while leaving the examination hall.
7. Candidates should take only pen, pencil, ball pen, ruler and pocket calculator inside the examination hall. Any other book, copy, tables or any other paper is not allowed inside the Examination Hall.
8. Use of mobile phones in examination Hall is strictly prohibited. These must be switched off before the student enters the examination hall.
9. While coming to examination hall the candidates are advised in their own interest to bring only those articles which are very necessary and permitted to be taken inside the examination hall as per para No.7 above. Administration does not take any responsibility for safety of their belongings, which are not permitted to be taken inside and kept outside the halls.
